Summer Musical "World Goes 'Round" in Marion

Reservations are now being accepted for the Marion Art Center's summer musical, "The World Goes 'Round," featuring the songs of John Kander and Fred Ebb. This duo is one of Broadway's most successful teams and are masters of the heart-grabbing showstopper. This revue spotlights songs from Cabaret; Chicago; New York, New York; Funny Lady; Kiss of the Spider Woman and more.

The show opens on Thursday, July 21 and runs July 22, 23, 28, 29 and 30. Curtain is at 8:00 pm. Director Paul Sardinha has rounded up an outstanding cast featuring vocalists Mary Cardwell, Sheryl DeMello, Sheila Furtado, Bruce Lackey and Ed Camara, with Steve Rogers on bass and Mack Williamson on percussion. Mr. Sardinha is also the pianist.

"The World Goes 'Round" is filled with humor, romance, drama, non-stop melody and brassy, insightful

Above: Mattapoisett town officials, along with friends and relatives of the late John Gibbons of Mattapoisett, were on hand this past Tuesday evening for the formal dedication of a bench outside the Mattapoisett Town Hall in Mr. Gibbons' memory. The bench is located alongside a similar one which was previously dedicated to late former Selectman John "Jack" DeCosta. Like Mr. DeCosta, Mr. Gibbons was well-known in town and was very active in all things Mattapoisett. (Photo by Kenneth J. Souza).

On the cover: Cast members of the Marion Art Center's summer musical revue, "The World Goes Round," rehearse for the show which features songs by John Kander and Fred Ebb. The production is directed by Paul Sardinha and will be performed for two consecutive weekends at the MAC on Thursday, Friday, and Saturday, July 21, 22, 23 and July 28, 29 and 30, with all performances starting at 8:00 pm. Ticket prices are \$17.50 for MAC members and \$20 for the general public. Cast members pictured here include (front row, l. to r.) Sheryl DeMello, Mary Cardwell, (back row, l. to r.) Ed Camara, Bruce Lackey, and Sheila Furtado. (Photo by and courtesy of Joe Butterfield).

Better Building Local Habitat Starts New Home

Buzzards Bay Area Habitat for Humanity President Jack Beck of Marion announced on Friday, July 8 that construction has begun on the group's newest housing project. The three-bedroom home will be built on a donated vacant lot located beside the Cranberry Cottage Restaurant on Marion Road in Wareham. This is the third home to be built in the Wareham area by the Habitat group.

"We're building in Wareham because that is where the land has become available," said Mr. Beck, who has been active in the group for the past eight years. Organized about 10 years ago, the first area Habitat participants represented Acushnet, Fairhaven, Marion, Mattapoisett, Rochester, and Wareham. Mr. Beck said at this point individuals, corporate sponsors and willing helpers come from the entire South Coast region.

According to Family Selection Committee Co-Chairman Sally Woodroffe, the newest area Habitat home has been awarded to a deserving South Coast family who has best met the Habitat selection criteria.

"Over the last year we've interviewed many wonderful families, and we've chosen a family currently residing in New Bedford," said Ms. Woodroffe. Applicants not only must demonstrate financial need for affordable housing but also an ability to provide sweat equity and a willingness to partner with Habitat.

The local Habitat chapter is affiliated with the internationally known volunteer organization founded by Millard Fuller of Americus, GA. The organization is best known from its support from the former President of

the United States, Jimmy Carter. Thousands of affordable homes have been built by the group both in the United States and abroad.

Mr. Beck said board members anticipate the actual building will begin in August. The group will formally announce the identity of newly selected family at the groundbreaking ceremony. He stated that many area volunteers and vendors stepped forward to participate in the building of the first two homes and he hopes the pool of donors will increase as residents become aware of the group's success.

Board members have scheduled a number of events to raise the \$60,000 needed to complete the Wareham project. The largest fund-raising effort is the sixth annual golf tournament scheduled for Friday, September 16, 2005. Primary sponsor AD Makepeace Company will host the event at Southers Marsh in Carver. To sign up as a volunteer, to donate services or construction materials, or to sign up for the golf tournament, please call the Buzzards Bay Area Habitat for Humanity Office at 508-273-0225.

men then appointed John Potito as Interim Harbormaster, to assume all the duties, responsibilities and authority of the Harbormaster until November 2005, or until a new Harbormaster is named, whichever occurs first. Lastly, the Board of Selectmen designated the outgoing Harbormaster, Charles Bradley, as being on paid administrative leave until the stated date of his retirement on July 24.

In making these motions, Selectman Drew Jeffrey cited recent newspaper accounts of Mr. Bradley's imminent retirement. Jon Henry, Chairman of the Board of Selectmen, concurred that it was important for the board to move promptly in light of the media attention and the resulting public uncertainty, to appoint an Interim Harbormaster.

Tri-Town Selectmen's Meeting

July 14, 2005

By Kenneth J. Souza

A meeting of the Tri-Town Boards of Selectmen was convened in the Media Center of Old Rochester Regional High School on Thursday, July 14 at 6:30 pm. Present from Mattapoisett were Selectman Steve Lombard, Selectman Jordan Collyer, and Town Administrator Michael Botelho. Present from Marion were Selectman Jonathan Henry, Selectman David Pierce, Selectman Andrew Jeffrey, and Town Administrator Jack Dolan. Present from Rochester were Selectman Gary Laboa, Selectman Richard Nunes, Selectman Bradford Morse, and Town Administrator James Huntoon. Mattapoisett Selectman Raymond Andrews was not present for the meeting.

The boards first unanimously voted to approve the minutes of the June 9 Tri-Town Selectmen's meeting.

At 6:30 pm the board met with Benjamin Bryant of the Coalition for Buzzards Bay (CBB) to discuss the oil spill legislation which was passed in Massachusetts last year in response to the Bouchard oil spill.

"That legislation is being challenged by the federal government," Mr. Bryant said. "The CBB is doing our best to stand, side-by-side, with the state (to keep the

The Perfect Investment

- High rate of return: A total return high enough to out perform inflation and taxes, and still meet the investment goal.
- Complete safety: There would be no concern that any part of the investment could ever be lost.
- Always liquid: An investor would be able to redeem the investment, and receive cash, at any time of day or night, every day of the year without any penalty or loss of principal.
- No income taxes: There would never be any income taxes due on the investment's yield or growth. The investor keeps everything earned.
- No skill or knowledge required: No special skill or knowledge would be required to manage the investment. One could just forget about the investment and enjoy life.

The Real World

Such a "perfect" investment does not exist, of course. In the real world, individual investors must choose from a confusing range of investment tools, each with different characteristics and uses. The process of selecting the best investment for a particular need or situation is made easier by clearly answering the following questions:

- Why are you investing? Do you need income for current lifestyle or are you accumulating money for a future need?
- When will the money be needed? At any moment? A year from now? At retirement, 10 years from now?
- How much risk are you willing to undertake? Can you afford to lose all or a part of the investment, and not have the loss affect your lifestyle?
- Are income taxes a concern? If the investment is currently taxable, to what extent will the additional tax reduce investment growth or push you into a higher tax bracket?
- What is the economic outlook? Investment opportunities will vary depending on whether the economy is growing or shrinking.
- Do you have the skill and knowledge needed to manage your investment? Is professional investment management needed?
- How much money is there available to invest? Are smaller amounts of money available periodically, or is there currently a larger, lump sum of money?

legislation) in place."

According to Mr. Bryant, the legislation is "one of the most comprehensive pieces of marine legislation in the country" and would vigorously protect the waters of Buzzards Bay against future disasters like the Bouchard oil spill. "It's now in place and I can tell you from experience, it has made a difference," Mr. Bryant said.

As such, Mr. Bryant asked the boards to endorse a legal brief and cover letter supporting the legislation so that it will remain in force. "The state legislation has a number of components to it," Mr. Bryant said. "It requires a tug escort of all oil barges in Buzzards Bay, it requires a vessel traffic service system be implemented ... so from the Cape Cod Canal they can monitor all traffic through the bay. The government is challenging all aspects (of the legislation) except for the monitoring system. They claim everything else is under the purview of the Coast Guard. It's going to be a good battle of federal versus state rights."

"We're asking all 10 towns which have a border on (Buzzards Bay) to endorse this legislation," Mr. Bryant said. "We have until July 20 to get all the paperwork together."

The individual boards agreed to offer their support for this measure.

Under Subcommittee Reports:

- The board discussed the Old Rochester Community Access Corporation status. "I know Rochester has picked their two representatives (for the Board of Direc-

- Selectman Collyer updated his fellow Selectmen on the Wind Power Study Committee, which is meeting next week. Selectman Pierce also mentioned they have been conducting tests of potential wind tower sites in Marion and they are "waiting to hear reports coming back from these investigators" as to which would be best.

"I have been talking to the Planning Board and various officials to see what needs to be done to bring a (wind) tower into Marion," Selectman Pierce said.

• Selectman Jeffrey provided an update on the ORR Assessment subcommittee, which hopes to have an agreement in place soon.

Under New Business, the boards discussed the ongoing humidity problem in the Media Center at ORR High School where the equipment is being housed for Channel 9 operations. "I think there needs to be a point person," Selectman Jeffrey said. "I don't think this body is the one to discuss this ... but I do think there needs to be somebody in charge. Maybe at least one (school) administrator could take charge and see what needs to be done."

"There's a chiller in here ... it cools the air (coming in) but it doesn't take the humidity out," said Vincent Ryan of the Rochester Cable Committee.

"For the past two weeks the equipment has been malfunctioning," said Debbie Stinson. "It needs to be 40 percent humidity for the equipment to work properly ... it's been 80 percent or better."

"This is something you can't let go," Selectman Lombard agreed. With that, Mattapoisett Town Administrator Mike Botelho offered to be the point person with the school administration on this matter.

Also under New Business, Selectman Pierce floated the idea of discussing a regional library approach given all three towns' recent lack of success in getting their libraries expanded and/or renovated.

"In dealing with some regional libraries on Cape Cod, we've found it to be a little more expensive," Select-

man Lombard cautioned. "In order to qualify for state funding, you have to build a library to meet (the population needs) for all three towns. Then you have the question of who controls the library?"

"I don't know that each one of our libraries needs to house a lot of books like a warehouse," Selectman Jeffrey said. "If we look at it as a distribution center, I don't know that you need these big, lavish libraries. I don't know that we need to expand that much. I think that way we can keep libraries in each town."

In other matters, the board also discussed a "Potential Action Items List" of possible municipal services which could benefit from regionalization among the three towns. Among them: Animal Control (Holding Kennel); Housing (Tri-Town Housing Authority and Affordable Housing); Emergency Dispatch; Paramedic/EMS Services; Inspectional Services; Purchasing and Contracting Services; Public Works; Purchase of Insurance; Economic Development; Refuse Pick-Up Contracting; Landfills or Transfer Stations; Grant Writing for Tri-Town Efforts; and Regionalization of Local Schools.

"Anything that involves purchasing would be worth looking into," Selectman Lombard said. "I know Plymouth County used to bid (collectively) for vehicle fuel and road salt. There would be a savings there. It just doesn't make sense not to do it."

"I'd want to ask the Attorney General's office how three towns could do that," Mr. Huntoon suggested.

The boards asked that the three Town Adminis-

tor Michael J. Botelho, and Assistant to the Town Administrator Melody Pacheco. Selectman Stephen J. Lombard was not present for the meeting.

After signing the necessary bills and vouchers for the week, because Selectman Collyer had not been present, the board postponed approval of the Selectmen's Meeting minutes of July 5, 2005 and the Executive Session minutes of that same date.

At 6:00 pm the board and State Representative William Straus adjourned to the Town Hall front porch to dedicate a bench in honor of the late John Gibbons with grateful appreciation for his 30 years of service as a member of the Board of Assessors. The extended Gibbons family of several generations and many friends were on hand for the presentation.

The board then approved action on the following items:

- Granted an annual "Hawkers and Peddlers" license to Jose P. Silvestre of 77 Holland Street, South Dartmouth to sell ice cream, soda, candy, and chips throughout the town from his ice cream truck.
- Voted to sign and approve an "amicus brief" in support of recently-passed legislation protecting the waters of Buzzards Bay in the aftermath of the Bouchard oil spill. The federal government has challenged the state law. Selectman Collyer explained that this act was the result of the recent Tri-Town Board of Selectmen's meeting and the legal work was performed pro bono.
- Voted to appoint Attorney Philip Beauregard as

• Voted to appoint Robert Lincoln of 32 Sylvia Street, Fairhaven as an Assistant Fire Alarm Superintendent.

At 6:10 pm the board presented a plaque from the Selectmen and the Planning Board to Arthur McLean with great appreciation for his many years of service to the Planning Board.

At 6:15 pm the board met with Dr. Joseph Costa, State Representative William Straus, and the chairman of the Eel Pond and Mattapoisett Neck Study Committee. Representative Straus was responsible for procuring money from the state which finally came allowing work to proceed to remove the asphalt in the salt marsh and old road on Mattapoisett Neck. The committee asked that a letter be sent to the state stating that the old water line has to be removed and a new line installed. The board voted to approve the request for an extension of the contract for the Mattapoisett Neck water line.

Representative Straus is very supportive of the project, and the Eel Pond Committee is working with him on a proposal for a grant with the Environmental Protection Agency (EPA) for funds necessary for removing the culvert in Eel Pond. Dr. Costa expected that engineering plans will be completed in about a month. Selectman Andrews remarked that the sewer pipe is in danger of being exposed which could send thousands of gallons of raw sewerage into the harbor.

The board then voted to approve the application

ported on the procurement update concerning a new ambulance purchase. The Bay Club has generously donated the money for a new ambulance and it is most appreciated. Town Meeting also previously appropriated money for an ambulance. Mr. Botelho believes that it would make sense to purchase two ambulances in order not to have to replace aging vehicles in the near future.

In addition, he explained that bids on town insurance had closed. Where the actual cost of insurance had been \$221,315.50, the low bid for the same coverage is \$15,000 for regular and \$17,000 for police and fire accident coverage.

His further report concerned the Designer Selection Procedure for design of the proposed Fire Station. Since the law changed in June of 2005, a written procedure is necessary. He suggested that the board appoint a committee of five to act upon this matter. As such, the Board of Selectmen approved the appointment of a Designer Selection Procedure Committee to consist of the Fire Chief, a representative of the Fire Department, a representative of the building trades, a representative of the union trades, and an individual at large. The board is seeking candidates and will appoint members at their August 16 meeting.

The Selectmen then discussed the Virtual Town Hall Web Site Providers. They asked Mr. Botelho to investigate the possibility of representatives to meet with the Board of Selectmen concerning the opportunity and also the facts to discuss with the Finance Committee (FinCom)

concerning fees and annual cost. The Computer Advisory Board is in favor of this innovation, and the Selectmen all agreed that it would address all aspects of the town — committees, meetings, important dates, and much information. It would ease the burden on the staff and provide instant communication to the public.

Under correspondence, the board received:

- A letter from Fire Chief Ronald Scott concerning Fire Permits. As of July 15, 2005, the Fire Department will no longer issue Cook Permits or Bonfire Permits for open fires on town-owned property. Grills or units designed to cook on will be accepted. Chimineas, by design, are not to be used to cook on. All open fire permits shall be for cooking only. All non-permitted cook fires or fires determined to be too large for cooking will be extinguished by the Fire Department.

If anyone applies for a bonfire in the Town of Mattapoisett, they must come to the Fire Station Monday through Friday when the Fire Prevention Office is open. This is for properties both public and private. Town-owned property includes the Town Beach, Aucoot Beach, Ned's Point, Reservation Beach, and the Town Landing.

- A letter from the Mattapoisett Police Department to inform the town that the Northeast Police Association is *not* affiliated with the Mattapoisett Police Department.

There being no further matters to come before the board, they unanimously voted to adjourn for the evening at 6:55 pm.

Marion Selectmen's Meeting

July 19, 2005

By Kenneth J. Souza

A regular meeting of the Marion Board of Selectmen was called to order on Tuesday, July 19 at 7:01 pm by Chairman Jonathan Henry. Also present were Selectman Andrew Jeffrey, Selectman David Pierce, Town Administrator Jack Dolan, and Secretary Helene Craver.

The board first approved the minutes of the June 25 meeting and then met with Christopher Bryant, President of the Sippican Lands Trust (SLT), at 7:05 pm to discuss an open space grant application.

"At this time, the Sippican Lands Trust ... is hoping to buy 240 acres of open space in Marion," Mr. Bryant

said. "It borders the proposed bike path. We are here to request support for a matching, self-help grant. We are in the process of purchasing it now. The Sippican Lands Trust is going to buy the property, the Town of Marion is going to buy the conservation restriction, and the Trustees of Reservations ... will buy the right to purchase the property, should anything happen to the Sippican Lands Trust, for \$1."

Mr. Bryant said the purchase of the so-called "White Eagle" property needs to be finalized by August 1.

"I was approached by a citizen who asked why such a large land purchase didn't require a presentation before Town Meeting," Selectman Pierce said.

"I think it is a change from the way we've done things in the past," Selectman Jeffrey agreed. "But this is certainly not the first (open space) purchase that's come before us."

The property is projected to cost anywhere between \$300,000 and \$400,000 and the SLT has sufficient funds available to cover the cost.

"We don't really know exactly how much money we're talking about at the moment," said James Gurney of the SLT. "We're having appraisals done over the next two weeks."

Resident Tom Magauran questioned why this matter didn't require any action by the voters in town.

"We have been in negotiations for this land for two years," Mr. Bryant said. "We are a private organization, we can buy and sell land without coming before

town boards. We felt this was a gift to the future generations of Marion. If the town wants to determine at a future time to seize land by eminent domain, that's up to them. Every single time a development comes up in this town, the cries come out: 'why didn't somebody do something?' Well, I think we're doing something."

At 7:25 pm the board met with Town Accountant Judy Mooney and Town Administrator Jack Dolan for an update on the status of the Island Wharf project.

"I did confer with (DPW Superintendent) Rob Zora before the meeting," Mr. Dolan said. "All the material to complete the project has been purchased and is stockpiled at the moment. Obviously the project is a bit behind schedule. In terms of what's left to do, there are three smaller retention (areas) to complete. I'm assured that the planned events that (need) the use of (the Island Wharf) field for parking will not be impacted by this — the field will be ready to accommodate (those events)."

"The number one concern has been the funding sources," Ms. Mooney said. "There are several sources: a \$165,193 reimbursement from Coastal Zone Management (CZM); the town also received a small \$20,000 grant from the Buzzards Bay Project (BBP); and the Sippican Historical Society donated \$18,000. Everything has been paid, leaving a zero balance."

"The drainage plan for the village has been underway for many years," Selectman Pierce added. "I think it's fortuitous that this particular project has allowed us to (remedy) the drainage problem in the center of the village."

I think we're also fortunate to have the sizeable donations coming in."

According to Ms. Mooney, the final projected cost of the project will be \$230,000 — with \$203,193 already spent to date. The remaining \$30,000 will come out of the Department of Public Works (DPW) budget via in-kind labor, with possible reimbursement through Chapter 90 funding at a later date.

In other matters, the board:

- Voted to award the contract for the sewer extension project to D.W. White at a price of \$7.34 million — an amount which was considerably lower than original estimates. The firm was the lowest of four submitted bids and work should begin within a month, according to Mr. Dolan.

- Voted to sign and approve an "amicus brief" supporting the recently-passed Buzzards Bay oil legislation which is being challenged by the federal government.

- Voted to appoint Reginald C. Foster and Carolyn "Camie" Mitton Ford as Marion's two representatives on the Community Access Corporation Board of Directors. A third candidate, Eunice Manduca, was praised for her qualifications and cited for her dedication in taping the regular Selectmen's meetings for cable broadcast.

- Discussed the formation of a Fireworks Feasibility Study Committee in light of the recent holiday and comments from residents that the annual tradition was sorely missed. They also voted to appoint Reg Foster as the new committee's chairman.

FAIRLAWN

HOME OF MEMORIAL TRIBUTE

Services as
Unique as Your
Loved One

Fairlawn is more than a funeral home. As a Home of Memorial Tribute, it is especially designed to accommodate any celebration of life in the way that best reflects what made your loved one so special.

Would you like to share a memorial video with those who come to pay their respects? Perhaps you want to personalize the viewing area with items representing your family member's favorite hobby. Fairlawn's truly individual service options can capture the uniqueness of person who means so much to you and make your loved one's presence felt in a very personal way.

Also exclusive to Fairlawn are the benefits of Dignity Memorial® programs that begin before and continue after the service, including the Everlasting Memorial® mem.com Internet Memorial, the 24-hour Compassion Helpline and the Bereavement Travel Services. And Fairlawn's exceptional service family of experienced professionals will provide that sense of comfort and security that makes a difficult time easier to bear.

Everything about your loved one is so special. The personalized services of the Fairlawn Home of Memorial Tribute will make the celebration of their life special, too.

"Obviously, I'm interested in knowing that finances are in hand before we go forward with the necessary contracts (for fireworks)," Selectman Pierce said. "The other thing I'm very mindful of was the feeling that we need to have things in place for signing by January of 2006. There will need to be the formation of a second committee once we have a determination from the feasibility study committee."

"I think we should look at it one last time," Selectman Jeffrey agreed. "I think this is an excellent opportunity to look at something and maybe make it better, not necessarily bigger."

• Noted the town has received approval from the Department of Environmental Protection (DEP) to proceed with the closure of the landfill. As such, the board also signed and approved the bill of sale for the transfer station property and transferred the titles for the vehicles formerly used at the landfill to the refuse district.

"This landfill has been a much longer journey than any of us imagined," Selectman Jeffrey said. "I just want to thank Carl Ribeiro and his committee for a job well done. They made sure the town was well-protected throughout."

• Noted with sadness the passing of 21-year-old Charles A.R. Pickles, the son of former Town Administrator Ray Pickles, who lost his life in a tragic accident on July 14. With that, the board observed a moment of silence for Charles Pickles.

They also noted there will also be a memorial service for Mr. Pickles on Saturday, July 23 at Saint Gabriel's

lectmen was called to order on Monday, July 18 at 6:58 pm by Chairman Gary Laboa. Also present were Selectman Richard Nunes, Selectman Bradford Morse, Town Administrator James Huntoon, and Administrative Assistant Veronica Lafreniere.

The board first voted to approve the July 11 meeting minutes and then heard Mr. Huntoon's weekly Town Administrator's report.

"The Town Hall Annex move has been completed ... we just need to straighten out a couple of phone issues," Mr. Huntoon said.

He also reported receiving a complaint via the Police Department about broken glass at the Skateboard Park which needs to be cleaned up. Chairman Laboa suggested forwarding this matter to the Park Commission for their input.

Lastly, Mr. Huntoon said Police Chief Paul Magee has only three classes remaining to achieve his Master's Degree and he has requested the board vote to reimburse his tuition as per his contract, since he has met all the necessary requirements. With that, the board unanimously voted to reimburse Chief Magee's tuition payments.

At 7:05 pm the board met with Herring Inspector David Watling regarding the Mattapoisett/Sippican River herring ladders and a recent request from Tony Williams, Monitoring Coordinator for the Coalition for Buzzards Bay (CBB), to install "stream staff gauges" on the fish ladders. Although the Rochester Conservation Commission (ConCom) and Conservation Agent Laurell Farinon were

informed of this proposed installation, Mr. Watling was not, and he felt like he should be kept "in the loop."

"I did have some questions for Mr. Williams and the ConCom," Mr. Watling said. "I would have liked to have been present ... and made aware of this beforehand."

"I guess it's just a matter of talking to (Conservation Agent) Laurell Farinon and Mr. Williams," Chairman Laboa said.

Mr. Watling said he did talk to Ms. Farinon earlier in the day and made her aware of his concerns.

At 7:10 pm the board met with Board of Health (BOH) Chairman John Lafreniere to discuss the ongoing water quality issue at Rochester Memorial School. According to Mr. Lafreniere, they are now awaiting Department of Environmental Protection (DEP) approval to dig test wells near the school site to determine where the contamination is originating. Mr. Lafreniere said they were advised to install a carbon filter on the school's well in the meantime so that any potential contamination can be identified and traced.

"As far as putting a new well in, (our engineers) wouldn't recommend it until the testing is done," Mr. Lafreniere said. "We don't know where the plume is. They're not really as concerned as we are. Even according to EPA standards, (our levels) are not dangerous. The children are not in any danger and the levels are below what is acceptable, but we should put a carbon filter (on the well)."

In other matters, Chairman Laboa said they inter-

viewed Mike Meunier earlier in the day for the position of Building Maintenance Supervisor and he was an ideal candidate. As such, the board unanimously voted to appoint Mr. Meunier, who will work under the purview of the Highway Department, effective August 1, 2005.

Under incoming correspondence, the board:

- Received payment in lieu of taxes from SEMASS in the amount of \$267,385 for the month of June 2005.

- Received a letter of resignation from Lynnea Walker, who is stepping down from the Planning Board due to her busy schedule. The board voted to send her a letter of appreciation for her past contributions to the town.

ATTENTION DRIVERS

If you are involved in a collision you have the right to have your investment, your vehicle, repaired at a shop of your choice. Your insurance company may suggest a list of repair shops. Do not be persuaded by this list, it is not a guarantee of quality of services, nor does it limit your options. You want a shop who will work for you and with you to put your vehicle back to pre-accident condition. **COLLISION SERVICES OF MARION, INC.** is a licensed, bonded, registered repair shop with the state of Massachusetts. We work with all insurance companies to expedite your repairs. The important thing to remember is we repair the vehicle for you, our customers, not the insurance companies. So remember, if the need arises, contact **COLLISION SERVICES OF MARION, INC.** to get back on the road.

• Received a request from Town Treasurer Naida Parker to appoint John Hall as Assistant Treasurer to fill in for her during the current fiscal year, as needed. The board unanimously approved the request.

• Received notification from Comcast of changes in the town's channel offerings and package options.

• Received a letter from Town Counsels Perry, Hicks, Crotty and Deshaies, LLP, requesting that their hourly rate be adjusted from \$120 an hour to \$150 an hour for the Town of Rochester. They argued that the firm has not adjusted their billing rate since first becoming Town Counsels for Rochester in 1999 and the current \$120 rate "is significantly lower than our rate to any other town." The board unanimously voted to approve the rate increase as requested.

Under Old Business, the board agreed to send a letter to the farmer still working on town-owned property on Pine Street to make him aware that he can no longer farm the property. "This way we have some legal recourse," Selectman Morse agreed.

The board also met briefly with Police Chief Paul Magee to discuss his concerns over people fishing off the narrow bridge on Mary's Pond Road. "It is kind of narrow there (and is) posted 35 MPH," Chief Magee said. "But we had an incident recently where a child was there with his parents (and was almost) hit by a car. I think we should post 'No Fishing Off Bridge' signs for safety reasons."

The board agreed with Chief Magee's assessment and approved his request to post the 'No Fishing Off

coordinated by Luke Lomeland, supervisor of traffic at the Cape Cod Canal. He is assisted by Harbormasters from Wareham and Marion and their staffs.

Participants are asked to register with a minimum of \$100 in pledges to benefit the Gleason Family YMCA. A kayak, courtesy of Billington Sea Kayaks in Plymouth, will be awarded to the participant who raises the most pledges over \$500. Three other great prizes will also be awarded to top pledge-raises in all three course categories. All racers will be given a complimentary race package, including a t-shirt featuring an original Bird Island design, lanyard and safety whistle, visor and other items. Each racer will receive a complimentary breakfast and two complimentary lunch tickets. All participants will also receive the coveted "Guilded Clam" medal at the awards ceremony following lunch around 12:00 noon.

The raffle for a brand new Necky Kayak as Grand Prize and array of fabulous prizes, including a one-year family membership to YMCA Southcoast, is now underway. Raffle tickets are \$5 each and may be purchased from the Gleason Family YMCA lobby at 33 Charge Pond Road in Wareham (508-295-9622), the Wareham Free Public Library or at Besse Park on the day of the race. The kayak, sponsored by Go Bananas, is now on display in the Gleason Family YMCA lobby.

News Submission Policy

The Wanderer gladly accepts any and all news and press release items from local non-profit organizations for publication on a weekly basis. The deadline for submission of said items is **Monday at 12:00 noon** for publication in that week's edition. Due to the increasing number of submissions, however, publication of press material is *never* guaranteed. The Wanderer will make every effort to publish timely news items and announcements as the subject warrants and as often as spacing allows. All press material must be submitted in writing via fax (508-758-4845), e-mail (news@wanderer.com) or mail (The Wanderer, P.O. Box 102, Mattapoisett, MA 02739), and must be typed or word-processed. We cannot accept any handwritten material or news items via telephone, no matter how brief.

Photographs of area events and newsmakers are also accepted and encouraged. The Wanderer accepts well-lit and clearly-defined color or black and white photographs for publication provided they include a brief summary of the event or subject. Due to processing and/or cropping requirements, we cannot return photographs. Please make sure you retain your negatives or have a copy made before submitting photographs for publication. Like news items, the deadline for photos is **Monday at 12:00 noon** and the publication of photographs is also subject to spacing constraints and therefore cannot be guaranteed.

Letters to the Editor

To the Editor:

The Mattapoissett Land Trust would like to thank the Lions Club for their help and kindness in the recent Harbor Days celebration. Our venture at this event proved to be a successful expression of what the MLT is all about. Adults found that we stand for the preservation of open space in Mattapoissett and the children learned about the importance of the environment to the health of the community. The Lions Club commitment to help the people of this town was evident in what we were able to display at our exposition. Working with the Lions Club helps us make Mattapoissett a "special place."

Sincerely,
Paul E. Osenkowski ("Ozzie")
Mattapoissett Land Trust

To the Editor:

This summer's special exhibit at the Mattapoissett Historical Society Museum features some of the things memories are made of from those who served in most of the nation's wars. From the French and Indian Wars to the current conflict in the Middle East, the displays are a tribute to veterans of all wars.

The exhibit can be an emotional roller coaster for many who view it, particularly the items shown by town resident Martin Smith, who was a prisoner of the Germans during World War

Try not to miss this important event which will be on view throughout August. And a tip of the hat to those who made it possible adn to the volunteers who put it all together. I believe it is one of the finest special summer exhibits the museum has ever hosted.

Sincerely,
Brad Hathaway

Mattapoisett Tax Bills

The 2006 Preliminary Tax Bills were mailed on July 1. Payment coupons for both the first and second quarters are attached at the bottom of the bills and the receipt portion is at the top.

This Preliminary Tax Bill, with two payment coupons attached, is the only tax bill taxpayers will receive until they receive the Actual Tax Bill, containing payment coupons for the third and fourth quarters in January. The first quarter payment is due in the Collector's Office by August 1, 2005.

Taxpayers must retain the second quarter payment coupon and remember to pay it by November 1. No other notification will be mailed. Reminders will be published in *The Wanderer*, posted on the Town's website and on cable TV.

Taxpayers have the option to pay both quarters by August 1. Both payment coupons should be mailed with the payment to P.O. Box 1596 or both coupons may be brought to the office.

If payment is not received in the Collector's Office by the due dates, interest shall accrue daily at a *per diem* rate of 14 percent. Any accrued interest for the first or second quarters shall appear on the Actual Tax Bill in January. If taxes are escrowed and are paid by a bank or mortgage company electronically, taxes should automatically be paid quarterly.

MOVIE REVIEW

Sweet Repeat

By Rob Gonsalves
http://robsreviews.cjb.net

Charlie and the Chocolate Factory. Starring Johnny Depp and Freddie Highmore. Directed by Tim Burton. Running time: 115 minutes. MPAA rating: PG.

I'll bet there are many adults today who have queasy memories of 1971's *Willy Wonka & the Chocolate Factory*. Psychedelic yet moralistic, the movie offered Gene Wilder in his full passive-aggressive efflorescence as the mysterious chocolatier Willy Wonka, whose gentle demeanor cloaked what appeared to be a deep contempt for children, his most loyal clientele. It also had ghastly songs (without this movie, Sammy Davis Jr. wouldn't have inflicted "The Candy Man" on telethon viewers year after year), those obnoxious Oompa Loompas, and colorful but indifferent direction by Mel Stuart. If anyone feels any sort of residual fondness for it, it's because that malicious fantasist Roald Dahl, in his original book *Charlie and the Chocolate Factory*, devised such a ready-made fantasy concept: five children invited to spend a day in the world's largest choccy emporium.

Remakes generally depress me as much as they do anyone else, but Tim Burton's *Charlie and the Chocolate Factory* is poised to become a new cult classic to replace the old one. Burton understands this story in a way few other directors could (although Danny DeVito, who did a rascally job with Dahl's *Matilda*, might also have had fun with the project). This director constantly veers from mopiness to flamboyant glee, though Charlie is closer in tone to his *Beetlejuice* than to his *Edward Scissorhands*. Once again, Burton has Johnny Depp along for the ride, and though many have said that Depp has based his Willy Wonka on Michael Jackson, I suspect he's really playing the only person he ever plays in Tim Burton films — Tim Burton. This Wonka is a misfit who enjoys showing off his elaborately designed playpen but isn't much fazed by those who don't appreciate it.

As in all other versions, the hero is Charlie Bucket (Freddie Highmore), who lives in a broken-down house with his poverty-level family. Burton, however, takes the pathos out of Charlie's situation by giving him a house right out of German expressionism — the entire *doorway* leans inward, for instance. Charlie is one of the five kids who discover a Golden Ticket inside a Wonka candy bar — a ticket to a day inside the elusive Wonka's factory. The other kids are brats who each illustrate a

childish trait that Dahl hated: gluttonous Augustus Gloop, gum-chewing Violet Beauregarde, cathode-mesmerized Mike Teavee (whose fixation has been updated to videogames), and, worst of all, spoiled rich girl Veruca Salt, whose attitude is so rotten that a rock band named themselves after her. Their punishments, as before, fit their crimes, though one wonders what exactly Roald Dahl had against gum-chewing.

Instead of sappy Anthony Newley songs, this movie has Danny Elfman scoring the original lyrics from Dahl's book; there's no brain-searing "Oompa Loompa doompadee doo" song here. The Oompa Loompas are all played (via digital replication) by the diminutive Indian actor Deep Roy, whose unsmiling and uncute persona here is both refreshing and consistently funny. The sets are, of course, obvious sets, but they always are in Tim Burton's films; the nasty bits (claustrophobes will, as ever, have a hard time with Augustus Gloop's fate) are softened by Burton's jaunty sense of artifice. Gene Wilder can criticize this remake all he wants — Burton and Depp have simply done it better.

I have mixed feelings about a backstory added by scripter John August, in which the young Wonka's fascination with sweets is neatly tied to his forbidding dentist dad. It adds little to the story except for a lame coda in which Wonka, having learned the power of family, reunites with his dad; however, since the father is played by Christopher Lee — still going strong at 83, Hammer bless him — I'll forgive it. This *Factory*, genuinely beautiful and imaginative, is the movie that admirers of the original *Factory* (who haven't seen it since they were kids) carry around in their heads. And it adds another lovable freak to the Burton/Depp gallery, perhaps the freakiest of all. Even without the Jacko undertones some viewers see in it, *Charlie and the Chocolate Factory* is the most truly subversive entertainment for kids since ... well, since Roald Dahl stopped writing.

INNER VIEWS

Bailing Out

By Kenneth J. Souza

One stroke forward ... two strokes back.

While I'm sure everyone working for the tri-towns always puts their best foot forward and has only the best interests of Marion, Mattapoisett and Rochester at heart, it's sad to know there are times when egos and personality clashes create far more friction than necessary and, ultimately, ruin any chances for smooth sailing (pun intended).

So I wasn't all that surprised when **Marion Harbormaster Charles Bradley** told me he had just submitted his letter of resignation on the morning of July 11. That I suspected it was coming didn't make it any easier to comprehend or accept.

A longtime and dedicated town fixture and someone who was always willing to talk about the town and, more importantly, the aspects of a job he truly loved, Mr. Bradley had been very vocal about his increasing frustrations for some time and the fact that he felt like he was being forced out of his job due to ongoing conflicts with **Town Administrator Jack Dolan**.

"I've been taking a lot of heat lately and it was starting to affect my health," Mr. Bradley admitted, adding that things seemed to escalate after he made a motion on the Annual Town Meeting floor to curb recommended salary hikes for both Mr. Dolan and Town Clerk/Treasurer/Collector Debra Blanchette.

"I guess I would respond by saying that, in my opinion, Charlie has been unable or unwilling to accept any supervision from me," Mr. Dolan countered. "As to specific allegations, I flatly deny that I ever demanded his resignation."

Citing such reasons as "false claims of insubordination," "threats of being fired," and "petty requests for written explanations," last week Charlie submitted a letter to the Board of Selectmen announcing he planned to retire from his position, effective July 24.

But even that wouldn't go as planned.

"I was asked to take administrative leave," Mr. Bradley said, referring to a vote taken by the Marion Selectmen after their joint July 14 meeting with the Tri-Town Boards of Selectmen.

The Marion Selectmen subsequently appointed **John Potito** as Interim Harbormaster to "assume all the duties, responsibilities and authority of the Harbormaster until November, 2005, or until a new Harbormaster is named." They likewise voted to place Mr. Bradley on paid administrative leave until his planned July 24 retirement start date.

According to Charlie, he was given the heave-ho the very next morning by none other than Mr. Dolan himself.

And don't let the oars hit you on your way out!

Although Mr. Bradley was never publicly reprimanded for any insubordination, Mr. Dolan maintained that Charlie had dif-

ficulty "taking supervision."

"Charlie has tried to promote this notion that there's a hostile working environment at (the Marion) Town House that is affecting morale," Mr. Dolan said. "But I think if you speak to just about anyone at the Town House, you'll find that's just not the case."

Then there's the time Mr. Bradley talked to friend and fellow Westport Harbormaster Richard Earle on the phone and asked about Mr. Dolan, who came to Marion from Westport.

To paraphrase Charlie, he was chided by Mr. Dolan for "checking up on him."

Mr. Dolan said he understood Mr. Bradley to be "making inquiries" about him.

"I kind of got the impression that Mr. Dolan was making waves," Mr. Earle said. "Charlie called me and asked what Mr. Dolan was like. I told him his track record was he doesn't stay at any place too long. I was just being honest with Charlie."

And Mr. Earle, who attended a Harbormaster's Academy alongside Charlie in 1996-1997, echoed the sentiments of many when talking about the outgoing Marion Harbormaster.

"He's a real asset ... and has a lot of common sense," he said. "Frankly, the waterfront and the Town of Marion are going to lose out."

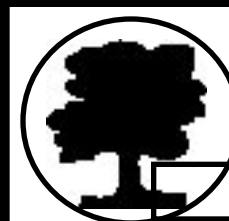

Leave it to someone outside the sphere of influence to objectively hammer it home.

Personalities aside, it is the Town of Marion that will most likely lose out at the end of this little shipwreck.

Unable to offer specifics due to personnel confidentiality issues, Mr. Dolan nevertheless stands his ground.

"As to 'petty requests for information,' I asked about moorings, vacant moorings, (and harbor) issues that were of public concern," he said. "I asked for information that he refused to comply with and, rather than comply, he chose to retire."

"You have department heads and I think you need to let them do their jobs," Mr. Bradley said. "For me, it was just the final straw ... and if you don't get the support at Town Hall, it makes it worse."

Your Questions on Dental Implants

Q I have had dentures for several years and have lost a lot of jawbone. My lower dentures are very loose and move when I speak or eat. I need help. Is there still hope for me?

A In most cases and with all the new options available in today's field of dental implantology, some form of treatment can be done to help your situation. We encourage people to get help as soon as possible, especially if they are already having problems. These problems include: excessive use of dental adhesives, being able to chew only soft foods, the inability to taste your food, constant mouth sores, unhappiness with the appearance of your teeth or biting position (your nose and chin appear closer together and give your face a "caved in" appearance), or you experience embarrassment while speaking. For these situations, you'll have more choices the sooner these problems are addressed. If you have any or all of the above symptoms, dental implants may be the answer for you.

There are 30 million people in the United States with no teeth and 29% of these people chew only soft foods. More importantly, "People without teeth, or diseased teeth and gums, have a life expectancy of 9.8 years less than those who have a healthy oral environment." (Harvard Research Symposium)

SALOME'S STARS

ARIES (March 21 to April 19) Starting something new is always exciting for the adventurous Aries. And here's the good news: This time you might be able to get some assistance in helping you finish what you've started.

TAURUS (April 20 to May 20) Put your day-dreaming penchant on hold for now, and face the facts as they are, not as you'd like them to be. Your customary hardheaded approach to "deals," etc., would be called for.

GEMINI (May 21 to June 20) Problems beyond your control might delay some of your plans. But things should start to get back to normal by midweek. The weekend could bring an unexpected (but welcome) visitor.

CANCER (June 21 to July 22) It's a good time to buckle down and tackle those unfinished tasks so you'll be ready to take on other projects. The week's end could bring an invitation from a most surprising source.

LEO (July 23 to August 22) Mixed signals could create a few stressful moments for the Lion. But by midweek, explanations should help ease the tension. The weekend is party time! Share it with someone special.

VIRGO (August 23 to September 22) This is a good "catching up" week for finishing tasks, calling old friends and maybe reading that book you haven't opened yet or renting that movie you wanted to see again.

LIBRA (September 23 to October 22) Money matters should be worked out, even if it takes time away from a more romantic situation. Better to settle things before feelings turn hard and angry on all sides.

SCORPIO (October 23 to November 21) A job-related problem could turn out to be less troublesome than it seemed at first. Just a few moments of talk 'twixt the parties resolves everything to everyone's satisfaction.

SAGITTARIUS (November 22 to December 21) The Sagittarian Archer takes aim at health and fitness issues this week. Watch your diet, and try to put more exercise time into your typically busy schedule.

CAPRICORN (December 22 to January 19) As you continue to focus on a career or job change, it's a good time to look over some of your rarely used skills and see where they can fit into your future workplace plans.

AQUARIUS (January 20 to February 18) A loved one's health might be worrisome, but there's good news by midweek. Expect people who share your ideas and your goals to try to contact you by the week's end.

PISCES (February 19 to March 20) A colleague's request that makes the typically perceptive Pisces feel uncomfortable is a request you probably will want to turn down. The weekend favors family get-togethers.

BORN THIS WEEK: You have a gift for making others feel warm and wanted. Even newcomers feel like old friends.

traditional tricks and props of magic to explore the real mysteries of the human mind. Call him an "intuition-ist." He observes people's patterns and steps inside their heads. He amazes them with information they didn't even know about themselves. He engages people in a psychic partnership that makes them the real stars of the show. Together, Jon and his audience do the impossible. The result is powerful, provocative, thrilling and new. Better still, it's funny. Jon's stand-up comedy covers a core of mystery in an uproarious wrapper of fun!

Tickets are \$40 per person and include hors d'oeuvres and the performance. For more information, please contact Marcia Caron, mdcaron@verizon.net or 508-990-3550. All proceeds from this performance will
